# LEG WORK

The ultimate guide to making  
the very most of your legs  
this summer. By Jenni Baden

**RECORD!** when ZZ Top had a hit song in celebration of them. We just wish that their song lasted, changed, more varied and well loved. It's summer and legs are in demand! This cover - take time out to follow our plus featured to getting your legs looking gorgeous and feeling great.

**WORKING OUT**  
If you're worried about excess weight, take up some form of aerobic activity and do it for at least 30 minutes, three or four times a week. This will tone up body fat, while you eat.
